February 28, 2025

Greetings to the Greater Spring-Ford Area Community!

As we begin another year of serving our neighbors in need, I would like to take a moment to share with you some of the good work Project Outreach was able to accomplish with your support in 2024.

Between our two pantries in Royersford and Spring City, we provided fresh produce and nutritious food to upwards of **120 families each week**. Our social services programs saw a dramatic increase with over **\$89,000 in assistance** provided to residents of our local community. This was an increase of almost 45% from the prior year, most of which went towards rental assistance for those facing eviction and help with utility bills to prevent service shut-offs. It's difficult to see more people struggling to make ends meet, but we were blessed to be able to provide this additional support with your help.

Other 2024 highlights include:

- Back-to-School Supplies provided for 114 children.
- Beds delivered for six children through our Beds-for-Kids program.
- 24 heating oil deliveries to keep families warm through the winter.
- 100 meals served at our annual Thanksgiving Community Dinner.
- 102 families "adopted" with gifts for 232 children through our Christmas Adopt-a-Family program.

None of this would be possible without the continuing support of our 24 member churches, along with local businesses and individuals, schools, and civic organizations.

From all of us at Project Outreach, thank you sincerely for enabling us to assist our neighbors in need. Together, we put God's love into action.

Gratefully,

Terry Quain
President, Project Outreach
