To the Greater Spring-Ford Area Community –

I'm very pleased to share with you the impact that your continued support has had on our local community in the past year. Between our two pantries in Royersford and Spring City, we provided fresh produce and nutritious food to over **125 families each week**. Our social services programs provided **over \$93,000 in assistance** to our neighbors in need. Here's the breakdown for 2025:

**Weekly Food Distribution** - Our two food pantries combined to serve an average of over 125 families each week.

**Emergency Rental Assistance** - 71 families avoided eviction through our emergency rental assistance program.

**Back-to-School Supplies** - We helped 106 children start the year off right by providing them with back-to-school supplies.

**Community Thanksgiving Meal** - 88 members of our community shared in a free Thanksgiving Day meal.

**Holiday Adopt-A-Family** - 292 children received donated gifts to brighten their holidays.

**Beds for Kids** - 2 children received new beds.

**Heating Oil Delivery** - 59 oil tanks were filled, allowing families in need to stay warm through the winter.

It's very inspiring to me that an organization made up almost entirely of volunteers is able to do so much good in our community. May God continue to bless us as together we put his love into action!

With gratitude,

Terry Quain  
President, Project Outreach
